

What is it Like to Survive an Aircraft Crash?

Jerry Knouff, a local Designated Pilot Examiner and Airline Transport Pilot, survived the Allegheny commuter aircraft crash that occurred in 1974. What events led to this accident? What lessons can be learned afterwards? These topics and others will be discussed at this aviation seminar.

Directions: Shannon Airport is located off of Tidewater Trail, which is also known as State Route 2 and 17. Enter on Shannon Airport Circle and park anywhere in the parking lot. The Robins Nest Cafe sign is clearly visible from the parking lot. Enter through the door to the left of the sign.

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
